

Southeast Iowa Area Agency on Aging, Inc.
Caregiver Support Services
Lee County

“Caregiving should not, cannot and does not need to be done alone.”

(Iowa Association of Area Agencies on Aging Website)

Some services may be available only on a limited basis and geographic area. There are many programs that may help a person pay for services. It is recommended that clients contact individual providers to discuss their specific needs.

Homemaker Services: This includes housecleaning, laundry, grocery shopping, meal preparation and may provide transportation to medical appointments.
