

Southeast Iowa Area Agency on Aging, Inc.

# Caregiver Support Services

## Louisa County

***“Caregiving should not, cannot and does not need to be done alone.”***

(Iowa Association of Area Agencies on Aging Website)

**Some services may be available only on a limited basis and geographic area. There are many programs that may help a person pay for services. It is recommended that clients contact individual providers to discuss their specific needs.**

**Homemaker Services: This includes housecleaning, laundry, grocery shopping, meal preparation and may provide transportation to medical appointments.**
